MANY THINGS WE OFFER

MENTOR/BUDDY SYSTEM

Mentors, or **Buddies**, are local students who assist international students during their stay in Graz. The programme starts upon your arrival in Graz and continues throughout the semester. **Your mentor will help you get settled** and ease into your new life in Graz. Therefore, it is important to **contact your mentor prior to your arrival** to tell him/her all your arrival details, as he/she will pick you up at the airport or train station and accompany you to your apartment. Be aware that all students of this programme are **volunteers** – their motivation is to learn about your culture, enhance their language skills and hang out with you!

Application is from 1st of May till 20th of July 2018!
